¹ Pursuant to **article 31** of the new data protection regulation for EU institutions and bodies (<u>Regulation (EU) 2018/1725</u>) each controller and processor have to maintain a **record of processing activities** under its responsibility that contains at least the information listed under that article.

1.2 PURPOSE AND DESCRIPTION OF THE PROCESSING

1.2.1 Purpose

According to Article 7 of Regulation (EU) 2019/1149 of the European Parliament and of the Council of 20 June 2019 establishing a European Labour Authority, the European Labour Authority (ELA) shall facilitate the cooperation and acceleration of exchange of information between Member States and support their effective compliance with cooperation obligations, including on information exchange, as defined in Union law.

In order to support these activities, ELA is also bound by its Code of Good Administrative Behaviour adopted by the ELA Management Board in March 2022. Therefore, the ELA Compliance team shall handle any complaints received directly from citizens, and register the incoming information into the External Complaints Registry, with a registration number, and a reference to the responsible staff and relevant National Liaison Officer(NLO).

Following an initial assessment, the responsible staff member shall draft a reply letter and, if relevant and appropriate, send it to the relevant NLO for their comments or any, additional information. If relevant and within ELA's remit and mandate, NLOs may decide to contact their national authorities for further information related to the actual complaint.

In case ELA received the external complaint in any of the EU MS official languages, the compliance team will request the relevant NLO to provide translation support.

The responsible staff shall send the reply to the external citizen. The reply letter shall mention the registration number of the External complaint.

Submit any formal complaints against the European Labour Authority and its staff; Report fraud or suspicion of fraudulent activities by the European Labour Authority or its staff;

1.2.2 Processing for further purposes

1.8 SECURITY MEASURES

Short summary of overall Technical and Organizational Measures implemented to ensure Information Security:

Description:

All data in electronic format (e-mails, documents, uploaded batches of data etc.) are stored either on the servers of the European Labour Authority or of its contractors.

The European Labour Authority's contractors are bound by a specific contractual clause for any processing operations of personal data on behalf of the European Labour Authority, and by the confidentiality obligations deriving from the General Data Protection Regulation. In order to protect personal data, the European Labour Authority has put in place a number of technical and organisational measures. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.
