

Applications satisfying all these conditions will then be initially assessed against the **selection criteria** under Section 3.

The selection committee will assess each eligible application with reference to the selection criteria (“Essential” and “Advantageous”) described in Section 3.

Upon completion of the assessment, the Selection Committee will establish a shortlist of candidates to be invited to the assessment phase.

The remaining candidates will be notified by email that their application will no longer be taken into consideration to this selection procedure.

Following the initial assessment of the applications, shortlisted candidates will be invited to the assessment phase, which will be held online. The assessment phase will be conducted in English.

This phase involves an interview with the selection committee and one or more test(s) related to the field of the vacancy. This phase will enable the selection committee to carry out an assessment of the pre-selected candidates according to the selection criteria described in Section 3.

Details of the date and time of the assessment will be communicated to the shortlisted candidates in due time.

If, at any stage in the procedure, it is established that the information in an application has been knowingly falsified or incorrect, the candidate will be disqualified from the selection process. Candidates will also be disqualified if they:

- do not meet all the eligibility criteria;
- do not provide all the required supporting documents.

Prior to contract signature, the successful candidate(s) will be required to provide original versions of documents proving the eligibility criteria. Candidates will be requested to submit originals or certified copies of their diploma(s) and evidence of their professional experience, clearly indicating the starting and finishing dates, the function(s) and the exact nature of the duties carried out.

The selection committee will place the most suitable eligible candidates on a draft reserve list. This draft will be submitted to the Executive Director of ELA for approval. The adopted reserve list will be valid until 31.12.2023. The validity of the reserve list may be extended by decision of the Executive Director of ELA.

Prior to being offered a post, candidates on a reserve list may be required to undergo further evaluation by ELA (e.g. including a further interview with the Executive Director).

Candidates should note that the inclusion on the reserve list does not imply any entitlement to employment in ELA.
