1.8 SECURITY MEASURES

Short summary of overall Technical and Organizational Measures implemented to ensure Information Security:

Description:

All personal data in electronic format (e-mails, documents, databases, uploaded batches of data, etc.) are stored on the servers of the European Labour Authority or its contractors.

The European Labour Authority's contractors are bound by a specific contractual clause for any processing operations of personal data on behalf of the European Labour Authority, and by the confidentiality obligations deriving from the General Data Protection Regulation in the EU Member States ('GDPR' Regulation (EU) 2016/679).

In order to protect personal data, the European Labour Authority has put in place a number of technical and organisational measures. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. Organisational measures include restricting access to the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.
