

ELA Translation Facility for Information

What is it?

The ELA Translation Facility for Information supports **the translation of information for workers and employers, citizens and businesses**, on rights and obligations relating to areas falling within the ELA scope:

- **Free movement** of workers;
- **Posting** of workers;
- **Social security coordination**;
- Social aspects of international **road transport**;
- Raising awareness among persons displaced from Ukraine*;
- Other related areas.

The Facility offers translations to all languages, including non-EU languages.

What is eligible?

Information provided by EU Member State authorities, such as:

- Official national **websites** content;
- Other **information and communication material**.

What is not eligible?

- Legislative acts, collective agreements, strategic frameworks or internal administrative documents;
- Content not owned by Member States' authorities.

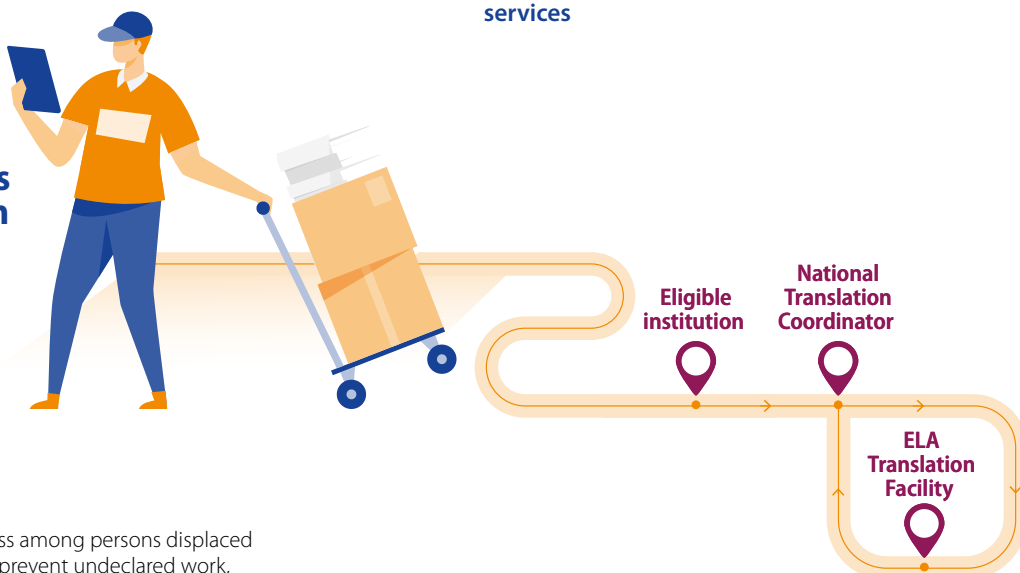

How can national authorities submit requests?

- National authorities can submit translation requests via their National Translation Coordinator.

Don't know their contact details?
