1	7 th May 2026	I would like to ask the clarification on the ELA call; namely, on the requirement listed at point 28, b), namely "An overview of the course's alignment with professional development frameworks for officials in the EU labour mobility", what do you mean exactly? How long it is supposed to be?	<p>With reference to your query below, I would like to clarify that point 28(b) of the call should be interpreted as follows:</p> <p>This item requires an overview of how the proposed course aligns with the relevant professional development frameworks for public officials in the field of EU labour mobility. More specifically, how the course fits into recognised professional development structures used by national administrations for their public officials.</p> <p>This implies alignment with the professional development frameworks for:</p> <ul style="list-style-type: none"> ○ Labour inspectors ○ Social security administrators ○ Mobility enforcement officers <p>There is no prescribed length of the document.</p>	To be Published
