ELA Management Board Members and Alternates

Country: FRANCE/ Social security Directorate/ Labour Ministry

Name: Emmanuelle ELDAR

Short bio:

I was head of the legal department at the Caisse Nationale d'Assurance Vieillesse which manages the main French pension scheme, then at CLEISS, the French liaison body, and for the past 5 years I have been deputy of the Head of International and European Affairs at the Social Security Directorate. This career path has given me both a pragmatic and legal approach in a European and international environment regulations. My appointment as alternate is the result of a choice to have both labour and social security represented on the Management Board of ELA.
